RESIGNATION FROM THE HOUSE OF REPRESENTATIVES

The SPEAKER pro tempore (Mr. TORRES of New York) laid before the House the following resignation from the House of Representatives:

CONGRESS OF THE UNITED STATES,
HOUSE OF REPRESENTATIVES,
Washington, DC, March 31, 2022.

Hon. NANCY PELOSI,
Speaker, House of Representatives,
Washington, DC.

DEAR MADAM SPEAKER: I write to inform you that I have notified Texas Governor Greg Abbot of my resignation from the U.S. House of Representatives, effective today at 11:59 PM EST.

It has been a profound honor to represent the people of the 34th Congressional District of Texas for the last nine years, and my distinct pleasure to serve under your leadership.

Please let me know if I can be of assistance during this period of transition.

Sincerely,

FILEMON VELA,
Member of Congress.

SUPPORTING CAP ON INSULIN PRICES

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to support the Affordable Insulin Now Act.

In America, a unit of insulin costs almost \$100. I paid \$348 for a vial. Across the border in Canada, it costs \$12 for the same insulin.

This enormous price difference causes diabetics to take drastic steps to survive. They ration their insulin to make it last. Some of them stop taking it for days to save money. These are life-threatening financial decisions.

As a diabetic myself, I know the importance of insulin to daily life. This boot on my foot is not a fashion choice. It is for a diabetic ulcer that I have been fighting for 8 months, and I have had seven in 10 years. I am one of the more than 37 million diabetics in America.

If we can cap insulin payments to \$35 per month, it saves lives. That is why we need the Affordable Insulin Now Act.

COMMEMORATING THE LIFE OF RICHARD ROY KELLEY, M.D.

(Mr. CASE asked and was given permission to address the House for 1 minute.)

Mr. CASE. Mr. Speaker, I rise to commemorate the life of Richard Roy Kelley, M.D., a true “keiki o ka aina,” “a child of the land,” son of Hawaii, just lost to us at age 88.

Doc Kelly was born to Hawaii's original hoteliers, Roy and Estelle Kelley, founders of Outrigger Hotels and Resorts. He grew up in their Waikiki hotels, graduated from Stanford and Harvard, and practiced in Honolulu before helming Outrigger through its second generation.

On Doc's watch, Outrigger expanded throughout Hawaii and the Pacific into a world-famous iconic beach resort brand; success for any life.

But Doc Kelley did far more. He pioneered true cultural tourism in “Ke

Ano Wa'a,” or “the Outrigger Way,” through which the entire lifeblood of each property embraces and embodies its special values and place. He led the World Travel and Tourism Council and advised our own Travel and Tourism Council. And he endlessly loved Hawaii and his “‘ohana,” “family,” and never stopped giving back.

Richard “Doc” Kelley, an amazing and unforgettable life. From all of us to you and yours, mahalo, and aloha.

CHRISTIAN NATIONALISM IS A DANGEROUS IDEOLOGY

(Mr. HUFFMAN asked and was given permission to address the House for 1 minute and to revise and extend remarks.)

Mr. HUFFMAN. Mr. Speaker, I rise today to bring attention to a dangerous ideology threatening our democracy: White Christian nationalism.

Most Members of Congress don't even know what it means, but experts from the Freedom From Religion Foundation and the Baptist Joint Committee for Religious Liberty have studied it for years, and their new report shows this movement was at the heart of the January 6 insurrection.

White Christian nationalism fuses Christianity with a rigid view of civic life, a view that true Americans are White, native-born, and conservative. On January 6, it was the connective tissue that tied disparate groups together and propelled them to action.

It is infecting our government, from Members of Congress and top officials in the previous administration to the wife of a Supreme Court Justice, whose messages to the President's Chief of Staff leading up to the insurrection smacked of White Christian nationalism.

Thankfully, good Americans, people of faith and nonbelievers, are standing up to this violent ideology.

Mr. Speaker, I call on Members of Congress to educate themselves about White Christian nationalism and reaffirm the separation of church and State.

SUCCESS OF AMERICAN MANUFACTURING HELPS WORKING FAMILIES

(Ms. BROWNLEY asked and was given permission to address the House for 1 minute.)

Ms. BROWNLEY. Mr. Speaker, from day one, House Democrats have been working with the Biden administration to build a stronger and more secure future for the American people. That is why we recently passed the COMPETES Act to fix our national supply chains, boost competition, and strengthen U.S. manufacturing.

Last week, I had the opportunity to visit Haas Automation in my district in Oxnard, California. Haas manufactures over 90 percent of all American-made precision manufacturing tools and is the last standing major American manufacturer of the machines
